	Chapter:	2900	Effective Date:	June 2020
	Policy Title:	Non-Emergency Medical Transportation Broker System		
	Policy Number:	2935	Previous Policy Update:	MT 47

REQUIREMENTS

The Medicaid Non-Emergency Medical Transportation (NEMT) program provides transportation through a NEMT Brokerage System. NEMT is provided only in the absence of other transportation.

BASIC CONSIDERATIONS

Five NEMT regions have been established in the state – North, Atlanta, Central, East and Southwest. The Department of Community Health (DCH) has contracted with a Broker in each of the five NEMT regions to administer and provide non-emergency medical transportation for eligible Medicaid members. The Brokers are reimbursed a monthly capitation rate for each eligible Medicaid member residing in their region.

PROCEDURES

Eligible Medicaid members who need access to medical services covered by Medicaid and have no other means of transportation must contact the Broker servicing their county to arrange for appropriate transportation.

Each Broker is required to have toll free telephone access for scheduling NEMT services Monday through Friday from 7:00 a.m. to 6:00 p.m.

The Division of Medicaid monitors the quality of services brokers provide. For any questions, comments or complaints about the NEMT program, contact DXC Technology at 1-866-211- 0950 or the NEMT Broker at the numbers provided in the below chart.
